

Update.....21.02.18

Republic Services will be picking up containers on Saturday February 20.

No curbside this Saturday...

Republic Services will pick up polycarts on Tuesday February 23rd as usual BUT might not be able to get all the polycarts (due to the load), so if your polycart doesn't get picked up on Tuesday leave it out at the curb and it will be picked on Wednesday February 24th.

Thank you for your understanding and patience.

Please stay safe!
